Act of National Reparation for the 1967 Abortion Act

Through Jesus Christ our Lord, Amen.

We ask this through the powerful intercession of Our Lady of Mercy.

For the salvation of every soul

Plead with them in the treasury of the Church

and join our sufferings with your Holy Cross

we unite ourselves with your victory

and inquire your mercy and intercession.

We entrust this sorrowful plea to you

Saviour of the world, Lord Jesus

That seeks to devour our nation and our world.

the spiritual enemy destroying marriages, families, and children.

Heal our sorrow of the trauma of abortion,

Heal their grief, guilt, and sorrow.

Heal their brokenness and tears,

and heal those who have suffered such wounds with their unborn children.

We have never felt the pain of it

We have not cried for it.

We have felt this pain in many ways.

Lord, none of us is without sin.

and those who in this

and those, who still do not understand

and those who, in distress, did not know what they did

know in distress.

And those, who in distress, do not know who they did.

We know we are a culture of life, faith, and peace.

The culture that is the only one of death and unhappiness.

We entrust to you, once again, your love and guidance.

Thanks to all those who, years after years, have supported this legislation.

Millions of unborn have passed in this evil legislation.

We beg you, Lord, to call to mind over the decades of legalized abortion in our land.
